78"	24"	48"

- **Vertical Drying and Storage Rack includes:**
2 factory assembled mobile post kits, 6 mobile shelf traverses, mobile traverse dovetails, 12 or 15 vertical drying cradles and 4 premium swivel casters with total locking brake. 48" long - ships in 5 cartons. 60" long - ships in 6 cartons.
- **Angled Drying and Storage Rack includes:**
2 factory assembled mobile post kits, 8 mobile shelf traverses, mobile traverse dovetails, 16 angled drying cradles and 4 premium swivel casters with total locking brake. Ships in 5 cartons.

Features & Benefits

- Promote sanitary drying, safe handling and efficient product organization with easy access to product. The Vertical Drying and Storage Rack can be used for trays, cutting boards, lids, and/or baking sheet pans. Maximum product width 1³/₁₆". Use the Angled Drying and Storage Rack to securely hold a variety of food pans, pots, bowls and other kitchen wares or patient meal delivery pellets.
- Ideal for use in all commercial and non-commercial kitchens including warewashing areas.
- Posts and traverses are made of a revolutionary, extremely strong composite material with a smooth, easy to clean surface. Stronger than common wire shelving and lighter in weight than Camshelving Premium Series. Traverse dovetails attach easily to shelf traverses.
- Premium caster is made of highly durable, non-corrosive plastic with a 5" (12,7 cm) swivel, non-marking thermoplastic rubber wheel. Total locking brake locks both swivel motion and the wheel.
- Optional donut bumper offers added protection during transport and when maneuvering mobile units into place against walls or alongside other units for storage.
- Drying and Storage Cradles install directly onto shelf traverses. Made of highly durable ABS plastic. Dishwasher safe.
- Uniquely engineered Post Connectors offer exceptional cross stabilization. Weight bearing is uncompromised.
- Posts and traverses easily wipe clean. Traverses can be removed and adjusted at 4" (10,2 cm) increments.
- Requires some assembly with minimal parts. Use a rubber mallet only.
- Lifetime warranty against rust and corrosion (posts, traverses and shelf plates).
- Available in 1 color – Brushed Graphite (580).
